Our School Value for this half term – Courage

10th June 2022

Christian Core Value for this Half Term – Christianity is rich in stories of courage and endurance, both from the Bible and to the present day. Jesus gave his life as a model to be followed and hence was prepared to stand up for what is right in the face of danger and hardship. Courage is about a life-long process of challenging ourselves to be the best that we can be – even when this becomes hard. For children in schools, this could mean the courage to say ‘no’ when everyone else wants you to do something you do not want to do; the courage to stick at a task even when it is difficult or the courage to stand by your beliefs even when people laugh at you. The value is represented by the following verse:-

“Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go” – Joshua 1:9

Class Photos – these will take place next Wednesday. Could all children attend in our stipulated school uniform/footwear please and school policy on hair accessories and jewellery. Dosbarth Miss Morris will not be doing PE that day and therefore will need to attend in school uniform.

Sports Day – weather permitting, we hope to go ahead with our first Sports Day in 3 years on the afternoon of 17th June from 1 pm. Further details will follow but for now, all children come to school that day in their team colour. We ask that they ensure they have a water bottle, sunhat, suncream - all depending on the weather. We also ask as ever that families stay in their section and that the children stay with us for safeguarding purposes. Friends of the School will have a refreshments stall. All we hope now is that the weather doesn't go against us.

Bilingualism/Cwricwlwm Cymreig – Gareth from Stick 2 workshop returned to both KS2 classes to apply the pre-half term workshop skills to learn about Welsh composers, artists and contemporary music. Amazing again and an inspiration for creativity.

****REPEAT MESSAGE** Finance** – letters have gone out to families with money owing for Ladybirds, Breakfast Club and After School Club. Please load your Parentpay accounts. The GB has agreed that we cannot offer our wrap around provision until debts are paid for all elements. Thank you and we apologise in advance that difficult conversations will have to take place after Half Term about accessing our provision so that we can continue to pay for Staffing.

Church Links – as a school we are proud that Millie Jones and Caitlyn Gale represented us at the Church Jubilee service of celebration. They contributed effectively and we thank them.

It was lovely to see Darren Mayor from the Impact Team to school this week to deliver a fun worship on the story of the Good Samaritan. Lots of great acting skills from the participants.

****REPEAT MESSAGE** Governing Body** – we met for our half termly meeting this week and make the plea for any parents or family members to join the team as we have a vacancy. It is a rewarding role and Governors often comment on the privilege of being able to come in and see work and talk to our pupils. Please contact Mrs Morris should you be interested or know of someone.
