Our School Value for this half term – Perseverance

11th March 2022

Covid – just to make you aware that positive cases are certainly starting to come through again and we now have a number of cases of pupils and staff. We ask you remain vigilant, keep children off school should they be symptomatic and carry out LF tests. We have stocks in school should you require any. This means for the very few things we recently opened up within the school, we are shutting down again as per our risk assessment. We will not return to staggered arrivals and collections but please be very aware of social distancing outside the school gates. Thank you. We hope everybody remains well with it.

Literacy – classes have joined Virtual Author events this week. Dosbarth Mrs Davies attended an online event with Tracey Corderoy provided by Powys Library Service and their Winter of Wellbeing events. They heard a story and carried out a draw-a-long. Similarly, Dosbarth Mr McWhinnie also enjoyed the event with author Guy Bass. Guy is an award-winning children's author, whose books include the best-selling Stitch Head series. His performance explored his childhood aspirations and inspirations and included poetry, writing tips and animated readings from his books.

Ladybirds Latest

This week we have started our new 'Planning in the Moment' strategy for the Setting which is very much led by what children say, do, want. Currently the learning that went on was about leaves and dragons.

****REPEAT MESSAGE** Finance Matters** – as we approach the end of the financial year, could we remind all families that debts for Breakfast Club, Ladybirds, School Meals and After School Club need to be paid off. Unfortunately debts don't just disappear but have to be cleared. We are always under pressure by Powys Local Authority as it is public money.
