Our School Value for this half term – Perseverance

18<sup>th</sup> March 2022

**Covid** – a quick update. Covid really has taken a grip again so we are back on extra vigilance for symptoms which could be the classic ones but also anything! You will know that Warn and Inform letters are posted on Seesaw for each class. Just to make you aware the guidance is to repeat the letter every 7 days for any class if new cases come along.

There seems to be a bout of sickness also doing the rounds – there's no knowing if it's connected. The recommendation is that children stay off school for 48 hours after the last episode.

### Ladybirds Latest

We are so sorry that Ladybirds had to shut this week on a temporary basis due to Covid-19. We hope to be back as soon as we can and will inform you via Seesaw.

**Drama Workshop** – it was great to welcome Mel from Mindful Drama Teaching to provide a drama workshop for Years 5 and 6 using a grant for Service Children. She explored drama skills and went on to song and dance based on the Greatest Showman. The children enjoyed the day very much. Please see the poster within this newsletter which advertises her stage school for those interested.

**Church Links** – we are proud to share the celebration of Millie Jones having been confirmed in Church at the weekend along with other children and adults.

**Health** – the Powys Health board staff carried out the health monitoring of height, weight, vision and audio with Reception children on Wednesday. For any absentees they will contact families directly.

### Update from Powys Teaching Health Board on COVID-19 Vaccination for Children aged 5-11

Dear Parent / Guardian,

On 16 February 2022, the Joint Committee on Vaccination and Immunisation (JCVI) confirmed that all children aged 5-11 are now eligible to receive two doses of COVID-19 vaccine. Vaccination appointments in Powys for children aged 5-11 are due to begin by the end of March. Later this month the health board will begin writing to households to invite you to contact them to arrange an appointment. Useful information to help you make the right decision about COVID-19 vaccination for you and your child is available from the health board website at <https://pthb.nhs.wales/find/5-11> The website also includes an online form for you to request an appointment. Please note, if your child has tested positive for COVID-19 they must wait 84 days before receiving their vaccination. Please note that the school is not involved in the delivery of the COVID-19 vaccination programme. Appointments are being offered at clinics organised by Powys Teaching Health Board. More information about COVID-19 vaccination in Powys is available from the health board at [pthb.nhs.wales/covid-vaccine](https://pthb.nhs.wales/covid-vaccine)
