Our School Value for this half term – Courage

24th June 2022

Sports Day – what a beautiful afternoon for a social event. Well done to all the children for their efforts as individuals and teams, for great sportsmanship and excellent behaviour. Da iawn ‘Tim Coch’ under the captaincy of Iwan and Lilly for the most points on the day. We wish to thank you all for supporting, all Staff for their part, to Alfie and Evie’s Dad for the shelter which was very gratefully received. Our thanks to the Friends of the School for selling refreshments and providing ice lollies for every child. A total of £86 was raised.

Special Day – for the month of June each class had an Eco day on Monday with a range of activities. Pupils carried out data handling activities on minibeasts, sorting litter into objects that can be recycled, making a bug hotel, helping the environment, watering plants, numeracy and creating informative posters.

Church links – on Wednesday, Years 5 and 6 will be going to Church for the morning for a small time of reflection which will also include the Eucharist service for Year 6s only. **Please let Mrs Morris know if you are not willing for them to participate in sharing the bread and wine.**

School meals – you will have been sent a letter via Seesaw on Monday regarding the Welsh Government offer of free school meals for all Reception children as of September 2022. They intend to roll out the programme at some date after April 2023 for Years 1 and 2. Further details will follow about this.

Sport – well done to Ryan, Millie, Sophia, Ffion D, Elliot and Carwyn for attending the north county round of the Cross Country in Newtown and to Mrs Williams for going on the cluster bus with them. Great representation for the school on a hot day.

Trips – Years 3 and 4 had such a lovely time at Love2Stay Shrewsbury. They participated in water sports, bushcraft and orienteering. Thank you to the Staff and volunteers for organising and accompanying them. Photos as ever will be shared on Twitter and Facebook.

Class Photos – the proofs have arrived this week. There is a new system this year in that all parents order them direct online using the code on the proof as per the covering letter details. You can choose for them to be delivered to school or your home address. For delivery to school the cut off date for ordering is 3rd July in order to receive them before the summer.

Sun Safety – with the beautiful sunny weather we have had recently, could all children ensure they have hats in school, suncream applied in the morning and a big bottle of water. **We emphasise it has to be water only for health reasons.**

End of year reports – these will be going out on Monday, 11th July. Could parents let us know if they would like 2 copies placed in the envelope.

Ethical, informed citizens

Healthy, confident individuals

Ambitious, capable learners

Enterprising, creative contributors

A lot of our work this week has been linked to the weather and sun safety – wearing hats, suncream, sunglasses and drinking lots and lots of cold water.

PLEASE REMEMBER NOT TO TURN UP AT SCHOOL ON MONDAY AS IT IS A STAFF INSET DAY!

JUN 27th Staff INSET day 30th Year 6 Llanfyllin Transition Day 1
