Our School Value for this half term – Perseverance

**3<sup>rd</sup> March 2023**

**School Values** – you will note from above our Value for this half term is Perseverance. This Value is represented by the Bible verse “Let us run with perseverance the race that is before us” Hebrews 12:1. At its root is the recognition that life is sometimes difficult and painful and that it is important not to give up in the face of adversity – love, mercy and faith remain forever to support us.

**IMPORTANT – School Calendar dates** – we wish to give you as much notice as possible of an additional INSET day organised across the whole of Llanfyllin Cluster schools on Friday, 7<sup>th</sup> July. This is in line with all Welsh schools having days to collaborate to develop approaches to the Curriculum for Wales, providing consistency across clusters and hence strong transition to Secondary schools. This is in addition to Monday 10<sup>th</sup> July already listed on the Powys County Council school holidays website.
