Our School Value for this half term – Perseverance

8th March 2024

UNCRC – United Nations Convention of the Rights of the Child:

Article 23 – I have the right to good quality healthcare, to clean water and good food

Bilingualism/Welsh Ethos – We are so proud of the children who competed at the Urdd Eisteddfod on Saturday. The individuals of Elise who also got to the stage round, Harry, Carwyn, Bethy, Connie, Alfie, Dylan, Emma and Elena performed excellently in the prelims. The Parti Unsain (Unison Party) came 2nd along with the Choir so we now go to Newtown a week tomorrow. Details will follow as soon as we have them. Thank you to all children and families for coming to Llanfyllin. Longyfarchiadau!

****IMPORTANT** After School Club** – we wish to give you plenty of notice that there will be no club on the final Friday, 22nd March.

Safeguarding – we make the plea that if any families notice anything in the village which concerns them in interactions with children that they continue to inform us for information but more importantly inform the Police immediately so that there is no time delay.

Health and Wellbeing – big well done to all those Year 3-6 children who participated the Llanfyllin Cross Country – great performances and endeavours by all. Well done to Logan, Carwyn and Beau for being in the top 3 for their year groups.

****REPEAT MESSAGE** School Council Fundraising** – there is a polite request from the committee for donations of Easter Eggs and/or raffle prizes for their end of term Bingo. Should there be any parents with shop/supermarket contacts, let us know.

****REMINDER** Fundraising** – a group of parents have organised the next fundraiser as a Cinema Night on Tuesday, 12th March after school. See the poster below. Please can all ticket requests be sent in envelopes so that money can be accounted for and not get mislaid. In purchasing a ticket for your child, you are accepting the fact it is a PG (Parental Guidance) film and that you think it suitable for your child, especially the younger ones.

Reading skills – thank you for supporting the Book Fair. Also, on World Book Day yesterday, there was a lot of fun dressing up to accompany discussion about and sharing of favourite books. Book tokens were given to each child to spend.

Charity Day – come to school next Friday in PJs to raise funds for Comic Relief – a suggested minimum £1 to do so.

Health and Safety – parents will know from Seesaw communication that we carried out a Lockdown drill this week. We never wish to raise the anxiety of children but do recognise the importance of all adults and children knowing what to do in such situations to ensure the safety of all. For this reason we shared our policy with all parents so that our procedures are clear to all and you will know your part and how we will communicate with you in the event of an emergency.

Health and Wellbeing – it was good once again to welcome Stephen Lloyd from Powys CAMHS to years 5 and 6 to deliver a whole afternoon workshop of activities about mental health, resilience and the five ways to wellbeing.

Ladybirds Latest

The celebration of reading this week with World Book Day and making Mothering Sunday cards as a surprise for you!!

Safeguarding – we are all doing our best to protect the following service but help is needed. See the message below about a petition to do so.

School Beat Cymru allowed for 68 school police officers across Wales' four forces to deliver lessons on substance abuse, safety, safeguarding and behaviour.

But the Welsh Government is to stop funding the scheme in order to save £2m a year from April.

This will negatively impact schools and police resources, which are already under significant pressure. In addition to educating pupils, school police officers respond to incidents which take place in schools. They have developed specific skills and knowledge to address issues within schools and built working relationships with staff and pupils. Without a specific police officer, schools will have to call 101, which could also overwhelm the communication centre and place additional demands on general response officers. This will further decrease resources to respond to other calls. Incidents in schools, particularly secondary schools are a regular occurrence, and having a dedicated officer, is a more effective and efficient way to address such situations.
