We provide a Breakfast Club for all pupils from 8:00 am for those families who require it without a need to book in advance. Otherwise we like to welcome the children into school from 8:40am. All children proceed to the playground for parents to have time to see Class Teachers and are subsequently taken in to school at 8:50 to start the school day.

Mid-morning, all children take a break from their learning to have some downtime with friends. Breaktimes are held on the playground in the winter months, the playground and field in the summer months and in classrooms when it is raining.

Lunchtimes are staggered to ensure all pupils have adequate time to eat their lunch and play outside. Lunch times for the different year groups are as follows

Foundation Phase: 11:45 – 1:00

Key Stage 2: 12:00– 1:00

School meals are cooked on site and are provided through Powys County Council Catering Services.

Afternoon sessions start directly after lunch.

At 2:45pm all children take part in whole school assembly or an act of collective worship.

School finishes at 3:10. Should your child wish to stay for afterschool clubs we have a number of activities throughout the week including a daily After School Club which needs to be booked in advance.
